

COMPEL GROUPS

Week 1

BREAK THE ICE

Where did you grow up?

What is your favorite kind of food?

How long have you been coming to Life Fellowship?

What compelled you to come tonight?

Have you ever had anyone wash your feet? Have you washed someone's feet?

DIG DEEPER

Do you understand who you are in Christ?

Is it possible to flip the script in your life? Is it possible to change the way you think about yourself and your life?

What does loving others look like to you?
