Week 2

BREAK THE ICE

Tell about the most meaningless gift you ever received. What made it so bad?

Tell about a gift you received from a child? Did it even matter what it was? Why or why not?

BREAK GROUND

Is there a difference in how you feel about your spouse when you are first attempting to win their heart vs when their heart is yours (along with all their other issues)? Why is that?

Pastor Patrick stated that the number one cause of disfunction in marriages is selfishness. What are some examples of how selfishness creeps in. (Television time, sports, shopping, etc)

DIG DEEPER

Do you really feel that being a Christ Follower makes a marriage better? Why or why not?

Describe a time in your relationship when you both needed to hear from God in order to make a decision.

Think back to the values you had 5 years ago. Name some of the ways you've changed in how you spend time and money. How does this play into a relationship/marriage?

Why is it necessary to make forgiveness a way of life for your marriage? We must forgive quickly and sincerely. It sounds great...why is it so hard?
