Discussion Guide - ROAR: Courage to Conquer

Week 3: "Run to the Roar"

1 Samuel 17

Memory Verse Challenge: 1Corinthians 16:13

Grow Deeper:

- Read 1 Peter 5:8-10. The enemy often attacks when you are already distracted, beaten down, or out of alignment with God's Word. Recall a time when you know this to be true in your life. How has God's grace made you strong again?
- Going to our Heavenly Father is essential. Encouraging others is essential. Worship and sacrifice are essential. What training will you put into action to help you stand firm and roar back? Is there a favorite Scripture that helps you run with confidence when fear prowls in?

Response:

- "Running from evil encourages it." How might this thought help you to run with courage for something greater? Discuss how God has given us the power and the tools to attain courage?
- "You and I have a promise from the King of Kings. We have the faithfulness of God. Every single thing we believe should start with the fact that God is good and God is faithful." What next steps will you take to share about His faithfulness? Who can you encourage with this truth?

Prayer:

"Dear God, give me the courage to stand boldly and run the race you have before me with a persistent and confident spirit. Help me fight back for the things that God has promised. Lord help me see the cause You have and remind me who I am in Christ. I thank you that your grace and mercy will follow me all the days of my life as I seek to become more like You."
