Respond:

What will partnering with God on mission look like for you this season? Remember these statements below that our Pastor gave us to guide our hearts to focus on our calling.

SERMON DISCUSSION GUIDE

Don't focus on what God is calling you from and miss what He is calling you to. Stay plugged in and anchored to the mission!

Prayer:

“Dear Heavenly Father, thank you for Your Promises and Guidance as we seek out Your calling on our lives. Give us Your passion and grace for those He calls us to minister to. Direct our hearts through the heavy conversations and in the small gestures that arise. Thank you that we can be laborers in Your field! Give us the patience and the steadiness of heart to respond in love to opportunities where we may share Your goodness with others on our path. We ask this in Jesus name. Amen.”
