The Playbook: Week 7- Winning at Relationships

Recap the Highlights:

How do we win at relationships with fellow believers who have different ideologies / perspectives / politics?

1. The Church is the hope of the world, *not* government!
2. *Neither* Party is the full expression of the Kingdom.
3. Refuse to allow politics to divide us!
 - vote for an agenda, not a personality.
 - vote as a citizen of Heaven, not America.
 - vote not only for yourself, but for those who can't.

Respect the integrity of other believers as they seek to live out and vote their convictions and conscience. We often seek to shape the truth around our preconceived ideas and agendas rather than have our agendas informed by the Truth.

Now Dig Deeper:

- What was your biggest takeaway from Pastors bold message?

Scripture References:

- **Matthew 22:15-22**
- **Galatians 3:28**
- **Ephesians 2:14,16,18**
- **Titus 3:1-2**

Respond & Pray:

- A. How can we best apply the truth and humility shared in Titus 3 in winning at our relationships?
- B. Pray for one another and for our nation as we boldly share and speak truth that unites in love and leads to new perspectives. Help us Lord to focus on Your Truth and not get caught up in division.
