## Mission Cafes

**\$100,000**

Compel Cafes at Southaven and Olive Branch campuses will be transformed to create a visual connection point to our missions efforts. The new Mission Cafes will highlight Compel's global mission partnerships and will serve as a point-of-connection for volunteer opportunities at the Dream Center, God Behind Bars, and Compel Missions Trips. Cafes will expand to offer specialty coffee drinks and pastries, with proceeds supporting missions.

Compel has been making a missional impact since its inception 20+ years ago. This refresh intends to keep our hearts constantly aware of how we can engage in what God is doing well beyond the walls of our buildings.

*Pray that the people of Compel would be moved to participate in Missions personally, through giving and going, expanding our experience and appreciation for how God is at work all around the world.*

## DREAM CENTER

*The DeSoto County Dream Center is proud to share that 90% of the elementary students in the Education Program improved in their Language Arts and/or Math grades on the last report cards. Eleven of the students are now on the Honor Roll and one student has increased their grades to the point of being on the Principal's List! The Education Program is making a significant impact on the students in the program. Thank you for being a part of that!*

# Impact

## SCHOOL OF MINISTRY

*"For me, I learned valuable tools to help keep me even more grounded in my faith, and motivated to help others in their walk with Christ. I learned many aspects of prayer and how to use my spiritual gifts in a more personal way. I learned to be a more intentional student of the Word and to better align my leadership principles and goals to lead like Jesus.*

*I learned so much more about the impact and responsibilities we all have as "ministers of the Gospel" and why it matters to reach the lost. I gained confidence in sharing scripture with others who may not think like me, and how to walk with others in a group setting and one-on-one, with open eyes and ears.*

*I feel like SoM gave me an amazing toolkit of trusted, biblical resources to sharpen others—inside and outside the church— and opportunities to hold myself accountable to the spiritual disciplines that are essential for a thriving personal relationship with God."*

*Terri McKellar  
SOM Class of 2023*

## ENGAGE

*Elijah is a tremendously sweet young man with a magical smile. He is nonverbal and often struggles staying focused. He joined our ministry on Wednesday nights, where we enjoy a Bible Drill curriculum. Staffer Terri Brown assessed his interests and designed a plan to help him learn how to memorize the books of the Bible. Her tactic was to give him paper with pictures of trains and have him write the names of the books underneath, and attach the cars together in proper order. By the time his father came to pick him up, he was able to properly place the first 8 books! His father was so pleased that Elijah was enjoying learning the word of God that He could hardly contain himself. Engage Ministry exists to build individual spiritual plans to better partner with families of beautiful children, such as Elijah, to instill the word of truth.*
