February 18th, 2024

Pastor Patrick Conrad

### **Sermon Discussion Guide**

Series: "Follow" - Week - 6

### **Follow His Will**

#### Recap the Highlights:

We are submitted to the Providential will and must obey the Moral will of God.

- 2 Guideposts that lead us into God's Will:
  - The Providential will of God
  - The Moral will of God

-Proverbs 3:5 (NLT) "**Trust in the Lord** with all your heart; **do not depend** on your own understanding. **Seek His will** in all you do, and he will show you which path to take."

#### Now Dig Deeper:

- I. What does it mean to you to be submitted to the providential will of God?
- II. What does it mean to you to obey the Moral will of God?
- III. Can you think of a time that you didn't obey the Moral will of God? More than likely, there are several. How would you handle those situations at this point in your relationship with God?
- IV. Has there been a time when you felt called to your next step, but didn't know the path to get there?
- V. Examine how you make decisions today. If you are making a large purchase, you are researching facts and reviews. You may be asking advice from others. This is our natural logical way to make decisions. Based on Proverbs 3:5 and this week's sermon, how can we better incorporate God's will into our decisions?

#### Respond & Pray:

- Pray together and ask God for His wisdom in learning from this lesson as well as how to listen to him for decisions regarding his will in the future.
