Lane Overview

Our global outreach extends Compel's vision to reach the unconvinced for christ all around the world. Through hand-selected ministries and missions, we are able to directly assist in global discipleship and compassionate care.

Lane Highlights

Compel was honored to host Kelly Williford as a guest speaker at our Masterpiece Conference. Kelly and her husband John and their children serve at Happy Horizons Children's Ranch (HHCR) in the Philippines. Compel Church has been supporting the Willifords in their ministry for the past 15 years. They are authentically passionate about helping to restore young children who have been rescued from human trafficking and sexual abuse. Their ministry allows these children the opportunity to heal from trauma and discover and fulfill the purpose God created them for. What a joy to hear stories of children who have been there several years and are now adults, some of whom return to teach and serve at the ranch! HHCR relies on several partner churches like Compel to provide funding for education, housing, food, and transport to and from counseling and medical care for the children at the ranch.

At Masterpiece Conference the ladies were challenged to collectively give **\$6,000** to cover annual transportation costs for the children at HHCR to go to and from the counseling office, which is 2 hours away from the ranch. Praise God for compassion and for generosity that goes above and beyond... the ladies of Masterpiece committed to give **\$26,345!** HHCR will be able to tackle more projects with these additional funds!
