### Sermon Discussion Guide

Series: God has a Plan ~~for your Life~~

Sermon: God's plan for WORK

#### Recap the Highlights:

Our work is an expression of worship **TO GOD** through the use of those abilities and passions given to us **BY God**, whereby we can fulfill our calling **FROM GOD**, in our vocation.

How do we re-engage our sacred calling through our secular vocation?

- Embrace work as part of your **calling**.
  - We're not called to a job, we're called to a people.
- Work as though God were **paying** you!
- Be **content** with the work you have
  - It's not people we love that help us develop the fruit of JOY; it's not the situations that are rosy that develop the fruit of PEACE in us —it's difficult people and uncertain situations that have the best chance of developing the character of Christ in us.
- Guard your **passions**.

#### Now Dig Deeper:

1. Did you have any revelations hearing that man was not cursed, but the earth was cursed or with learning that we work to bring glory to God?
2. Discuss where you currently stand with satisfaction at your job.
3. What is God doing through your ministry of work? What are ways that you could view your work more as a ministry?
4. Discuss as a group when God has helped you with supernatural grace on responding to difficult people and/or situations. Are you experiencing this now? How can you change your perspective on this moving forward?

#### Respond & Pray:

- Pray for God to give you opportunities to minister to people through your job.
- Spend time praying over all the people you work with. Ask God to reveal people to you to reach out to invite to Easter service.
