Sermon Discussion Guide

Series: HE IS RISEN | NOW WHAT?

Recap the Highlights:

Jesus sent the Promise of the Father (The Holy Spirit)...

- To **abide** in us.
- To **reveal** Jesus to us.
- To **empower** us to be His witnesses.

Witness = a person who sees/experiences an event and testifies under oath about what they have seen.

The sign of “the end” given by Jesus is the global witness of the gospel.

1. Isn't this the job of the church?!?!?
 - a. 1 Corinthians 12:18;27 (NLT)
 - i. “But our bodies have many parts, and God has put EACH part just where He wants it...All of you together
2. How am I to be His witness?
 - a. Focus on how great God's grace is rather than how bad they are.
 - b. Prioritize loving them rather than “winning” them.

Now Dig Deeper:

1. *We all have a story! We see our past mistakes as ugly. We usually see it as the ugliest there ever was, but that is false. God never wastes anyone's ugly past. That is used for us to witness. Being a witness is not just something we do, it's what we have been called to do. Your past is important. If you are open, share that with the group.*
2. *Who are some of the hardest people you have had to love? Were you able to overcome the challenge and love that person well?*
3. *Have you ever been a hard person to love? Who is someone that chased after you with love? Could you see that Jesus was working through them?*
4. *Discuss what it really means to you to be a Christ Ambassador.*
5. *Talk as a group about what your testimony is. Challenge each other to come back next week with this testimony and share it.*

Respond & Pray:

- Pray for God to reveal people along your path for you to witness to. Pray for your testimony to encourage others in their faith!
