

Lane Overview

Compel has been blessed with beautiful and spacious properties that we would like to offer to the community as we create spaces for them to come and do life with us, beyond a weekend service. The goal with this initiative is to see greater, more targeted outreach in each of our locations, to see deeper and broader discipleship through groups and mentoring, and to see our locations become gathering spaces for the community at large.

REACH'30 Initiative

- Reaching our **neighbors** through invitation to gather.
- Reaching the **unconvinced** through relational connection.
- Reaching the **next gen** through intentional investments.

These initiatives will be expressed on each campus as we:

Build out our Backyard

Create gathering spaces outside where people can come with their families and experience Compel Church community even before experiencing a weekend service.

Expand Gathering Spaces

Provide warm and inviting spaces for attenders to connect, small groups to gather, and people to find community.

Invest in Next Gen Spaces

Update and expand Next Gen areas so that we can reach, lead, teach, disciple and empower them to step into their role as Christian leaders in their schools, their places of employment, and their homes.

REACH'30 is purposefully named based on two goals: to have campus improvements completed in 2030 and for costs to be paid off by Compel's 30-year anniversary in 2032.

Lane Highlight

Compel Vision Partners are invited to an exclusive gathering on Sunday evening, **July 26th** to hear the most up-to-date information and see new renderings concerning the REACH'30 project. Pastor Patrick will be presenting details and costs of Phase 1 and explaining what that looks like at each campus. See invite below & **RSVP to join us** at the new Dream Center Olive Branch! As a Vision Partner, YOU are a vital part of carrying out the REACH'30 initiative and paving the way of Compel's future!

Prayer

Pray and ask God how He would have you personally participate in this initiative.

Pray for wisdom as we enter this multi-year initiative church-wide. Pray that those in the cities surrounding our campuses who need connection would be drawn towards the light of Jesus shining from our church. Pray for authentic relationships to form, people to experience freedom and Compel to continue to make a difference as we compel the unconvinced to become passionate followers of Christ!
