Sermon Discussion Guide

Series: Stand Alone Message/Convoy of Hope

Sermon: The Power of Compassion

Recap the Highlights:

Convoy doesn't have the great commission that the church has - it has the compassion of that work.

1. Compassion changes the way I see people.
2. Compassion changes my heart.
3. Compassion gives generously.

Now Dig Deeper:

1. Read and discuss Matthew 25:31-40 together. Did your perspective change at all after hearing this message?
2. Pastor Ivy spoke a lot about spiritual gifts. Have you learned what your gifts are? Have your giftings ever changed? Do you feel you are using your spiritual gifts the way God desires for you?
3. Has there been a time when Jesus revealed someone for you to show mercy and compassion towards? Or has HE ever shown someone else you when you needed it? Share that experience with each other.
4. Share your story, if you have one, on your experience of giving a one day's wage, tithing, or an opportunity you've had to help someone in need. How has it impacted your life?

Respond & Pray:

- Pray for God to guide you in your giving of One Day's Wage.
- Pray for God to change the way you see His people.
- Pray for God to reveal ways for you to serve him and love on others based on your spiritual gifts. (If you don't know what these are, join an upcoming Discover class!)
- Pray for God to reveal the people HE wants you to see and show compassion towards.
