James 4:1-10

How DO we remain Faithful? James 4:7 & 10

In our desire to know God, We must beg for the light of His Truth to expose the hidden pride of our lives so His grace can be applied.

Now Dig Deeper:

1. Read and discuss James 4:1-10. What is your biggest revelation from this section of James?
2. Pastor Patrick spoke about how we don't always surrender everything in our lives to God. Do you have a personal example or testimony here of when you did surrender something?
3. When we are humbled in life, these lessons can hit hard, but are so impactful. Can you share some of these moments with the group?
4. How do we remain faithful? James 4:7 & 10. What does humility look like for you? Is there an area where you want to be more humble?
5. We have all been on both sides of criticizing and judging others - especially other Christians. What are ways that we can intentionally be ministers of reconciliation?

Respond & Pray:

- Pray for the Holy Spirit to join you in prayer and ask Him to reveal to you areas of your life that you need to surrender to God. Pray for humility in any place where he feels you need it. Pray to be an intentional minister of reconciliation when needed.
